

# Klinion Personal Care

**plastic-free** waterless bathing wipes

# Klinion® plastic-free waterless bathing wipes

Effortless, eco-friendly care for your patients—now with plastic-free wipes! Klinion® Personal Care introduces **new** plastic-free bodywash and lotion wipes, providing a quick, effective, and gentle cleansing solution without soap or water. Made entirely from viscose, these wipes offer a sustainable alternative while ensuring hygiene and comfort for your patients. Perfect for healthcare professionals looking for an environmentally responsible choice in daily care.

Klinion® Personal Care offers high-quality, sustainable hygiene solutions built on three pillars:

1. Environmental responsibility – Our plastic-free wipes reduce waste and minimize our footprint.
2. Social impact – We promote efficient, inclusive care aligned with our corporate responsibility.
3. Economic accessibility – We provide eco-friendly, high-quality products at fair prices, making sustainability an easy choice.

## Gentle • Sustainable • Convenient

### Ecolabel certified

Proven sustainability, safety, and quality - trusted for responsible care.

### Plastic-free wipe

Made of 100% plant-based viscose - soft, strong and eco-friendly.

### Recyclable packaging

The package material made of recyclable LDPE\* contributing to circular economy.

### Bigger wipe, better efficiency

Larger wipe size for greater efficiency, and convenient body cleansing.

### Skin-friendly

Dermatologically tested to ensure non-irritating, skin-friendly care.

### Natural caring components

Gentle care in every wipe - clean, moisturize, sooth and protect.<sup>1</sup>
